

Chain-of-Custody Acknowledgment

This follows authorization pages

Chain-of-Custody Acknowledgment

I acknowledge that the device(s) listed below are being transferred to **Data365** for the limited purpose of forensic imaging and analysis as authorized in this packet.

Device Identifier(s) (Make / Model / Serial):

I understand and agree that:

- The device(s) will be handled in a controlled manner consistent with digital forensic best practices.
- Access to original media will be limited to authorized personnel.
- Forensic images may be created and verified using Cryptographic Hashing.
- Chain-of-custody records will be maintained documenting possession, handling, and transfer.
- Original devices may be returned upon completion or retained as directed in writing.

This acknowledgment does not expand the scope of authorization beyond what is expressly granted elsewhere in this packet.
